

**VT CHEP Virtual Funders Roundtable**  
**September 19, 2023**  
**National Life Group Foundation**

**Funding Focus**

To be considered for a grant, your organization must be a public charity that is exempt from income taxes under section 501(c)(3) of the Internal Revenue Code.

Programs that are aligned with our two areas of focus which are supporting children's mental health and helping end childhood hunger. Approximately 90% of our funding goes to these areas of focus, with another 10% supporting the arts and community development.

- A well-planned approach to underlying issues or needs
- A base of support
- Metrics to support success
- We do not fund
  - Endowments
  - Scholarships
  - Higher Education Institutions
  - Religious Organizations
  - Labor and Fraternal Groups
  - Debt Reduction or work that has already been completed.
