Narrative Storytelling and its Role in Data Collection

**Webinar *THIS* Tuesday, July 19th
8:30-10am**

This webinar is open to all statewide learning collaborative members.

**Learn the importance of narrative storytelling and what
role it plays in data collection.**

**We will learn from the community experts of the Abenaki
Storytelling Project and the Beneath Your Skin: COVID-19
Vaccination Storytelling Project, as well as from our partners
from Health Resources in Action (HRiA).**

**We will discover the value of storytelling and the nuts and bolts
of how to capture stories in your communities that are**

important pieces of data.
