Save the Date!
In-Person Skill Development Workshop
with Ricky and Tess from Padgett Coaching

Thursday, November 10, 2022
@ 9 - 4pm

This workshop is open to Backbones, Integrators, and one guest per District.

Did you know that 95% of people surveyed claim to be self-aware and that only 15% are actually self-aware?

Have you wished you had a better understanding of social awareness and team dynamics?

In your work, do you feel there are opportunities for you to influence others more effectively?

If so, join us for an in-person day in Randolph, Vermont to explore these topics and more in a fun and highly interactive way. This day is open to Integrators, Backbones, and/or key community partners and is currently limited to 2 people per district.

Registration Information Sent to Backbones and Integrators

We will continue to monitor the CDC recommendations on COVID-19 precautions and will update any masking requirements prior to the date.

Thriving Rural Communities: Navigating An Ever
Evolving Landscape**

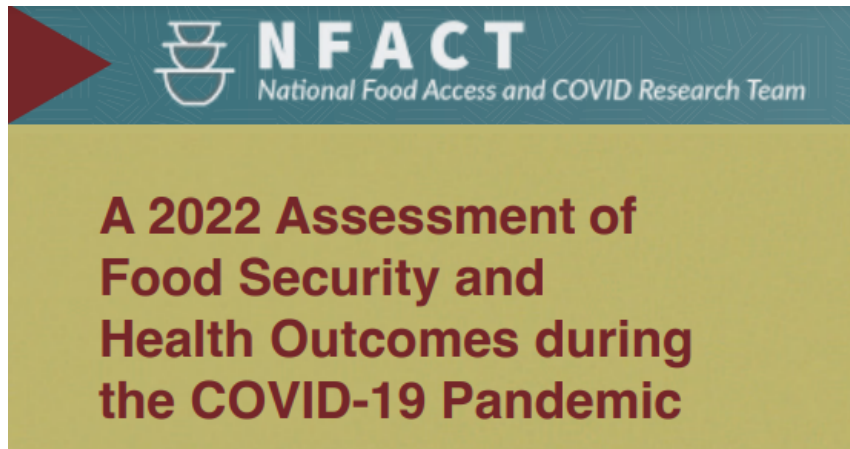

November 1 and 2, 2022

Killington, VT | Virtual

This is an opportunity for rural healthcare professionals, hospital administrators, educators, students and community leaders to learn from experts in rural topics, and to network with each other. Designed to involve all sectors that impact the health of people in rural New England, this multidisciplinary event gives attendees the opportunity to delve into specific areas of interest or participate in sessions spanning a variety of topic areas. This event is designed to meet the needs of those interested in improving the health and wellbeing of our region's rural communities.

The VT CHEP and the VT Community Foundation are working to obtain a limited number of scholarships to assist with the expenses for registration and hotel - stay tuned for details.
